MAPS Institute announces its June intake for ABE, CAT, and ACCA programmes

MAPS Institute has announced its June 2007 intake for its various programmes in Business Management, Business Information Systems, Hospitality and Tourism, Accounting, and Human Resources Management.

According to a public announcement MAPS had made in this regard, all programmes are currently scheduled to commence during the month of June, 2007.

ABE Study Programmes: MAPS will offer admissions for Certificate and Diploma in Business Management, Human Resource Management, Travel, Tourism and Hospitality, and Business Information Systems. All programmes are MAB certified and students may pay the fees for the

various programmes in equal installments. In addition, MAPS will also offer admissions for the ABE Advanced Diploma programme in Business Management.

CAT & ACCA Programmes: Those who have an "E" or above in A-level Accounting will have the opportunity to join the intermediate stage of CAT which will commence in June 2007. In addition those students who are interested in pursuing the ACCA-II could also apply for the June intake.

In addition MAPS Institute also provides short training in more than 17 different subject areas which can be tailor made according to the customer's specific training needs. MAPS has recently been in the limelight for successfully conducting Short programmes in IT

What is special in the new v3245TU laptops on display at the ICON Showroom

Dual omni-directional microphones
Get your message across in the clearest possible way with two omni-directional microphones. They offer outstanding recording clarity for VoIP applications, letting you communicate comfortably without raising your voice.

Invigorating graphics Performance
Intel Graphics Media Accelerator 950 (up to 224MB Total Available Graphics Memory), delivers realistic effects and great multimedia functionality for a rich gaming and multimedia experience. Coupled with Pure Video processor, your DVD movies can be enjoyed without annoying visual artifacts.

5-in-1 memory card reader
There's no stopping you when it comes to sharing a photo. Whether your images are stored on Memory Stick®, Memory Stick Pro®, Secure Digital™/MultiMediaCard™ or xD-Picture™.

SuperMulti 8X DVD±RW, Double Layer Support with LightScribe technology
Here's a DVD drive that even labels your disc for you! LightScribe Direct Disc Labeling technology burns labels directly onto your CDs and DVDs. Simply insert a LightScribe compatible CD or DVD and a silkscreen quality disc label is easily laser-etched onto the disc.

The convenience of Bluetooth
Backup your PDA. Use your phone's high-speed data connection. Connect an external mouse or keyboard. With the Presario's Bluetooth connectivity, it's all so simple, wireless and fast.

Compaq DVDPlay
Watch DVD movies at a touch of a button in Windows and control it with remote control.
