## Hundreds of visitors call on MAPS Institute's stall at the "Youth Challenge"

Several hundreds of students, prospects, and a few parents visited the 6<sup>th</sup> Career counseling and further education Fair, more popularly known as the "Youth Challenge." MAPS has been participating in the Youth Challenge ever since its inception. " This year the general response was better than

the previous years. The Fair has given a lot of exposure for MAPS, especially at a time when we are planning to expand our range of courses and services" remarked Usaamath Abbas, who is heading the Administrative operations of MAPS Institute. MAPS won the award for "Public Service excellence" in 2006

## MAPS conducts orientation for its CAT students

MAPS Institute held the student orientation session for its new intake of CAT students on 23<sup>rd</sup> April, 2007.

The orientation session was attended by more than 50 CAT students who had enrolled for the Certified Accounting Technician (CAT) course at MAPS Institute

.The session was aimed at providing information to the students regarding admission, examinations, policies and procedures regarding studies at MAPS. MAPS is the oldest provider of ACCA education in the country and boasts of having successfully trained hundreds of students as Certified Accounting Technicians.

## Senior Officials from ABE Sri Lanka visit MAPS campus in Male'

Senior officials from ABE Sri Lanka visited the MAPS campus in Male'. The team comprised of Mr. Dan Kelch who is the Director, ABE, Sri Lanka and Mr. Victor Rajeevan who is the Regional Manager for ABE. They also gave a presentation to the MAPS students on "Life after ABE" during which student queries regarding further studies and career paths after ABE were discussed at length.

This is the second time MAPS Institute is conducting such a session. The first session was conducted in 2006.
